Osprey Wilds Environmental Learning Center

54165 Audubon Drive
Sandstone, MN 55072
(320) 245-2648

<https://ospreywilds.org>

Environmental Education Fellowship: Gain experience in current environmental education methods, as well as knowledge of Minnesota's unique biomes and natural history through training seminars, direct mentorship, graduate-level coursework, and on-the-job learning. Our organization is committed to making the outdoors accessible to everyone with learner-centered, nature-focused programming that is responsive to all visitors. This commitment has not wavered through the COVID-19 pandemic thanks to our dynamic team's creativity and the guidance of the Center for Disease Control. We hope you can join us and learn what it takes to be an outstanding environmental educator!

Qualifications:

BA or BS in a related field, or equivalent work experience/training

21 years of age or older at the time of employment

Ability to commit to a full year, from August 2021-August 2022, and live on site in communal housing

Is COVID-19 vaccinated or is willing to become vaccinated

Interest or experience in working with learners of all ages; particularly elementary and middle school age

Interest and experience in outdoor activities including, but not limited to: camping, canoeing, backpacking, climbing, hiking, etc.

Experience with, and enthusiasm for, summer youth camps and community programming

Experience in working with or teaching members of communities that have traditionally underserved by the environmental education field.

Interest and enthusiasm for working with and caring for our animal ambassadors

Must be excited to learn and try new things, and willing to take initiative to support our programs and staff.

Ability to lift heavy equipment, such as a canoe, hike long distances, and work outside in all weather conditions

Ability to lead and participate in our climbing wall and high ropes course (max height: 40 ft.)

First Aid and CPR certification is a plus!

Responsibilities:

Teach ecology, wildlife, adventure, and cultural classes to large and small groups of all ages, including evening and weekend programming, both virtually and on-site where appropriate

Plan and lead Summer Camp programming and free-time activities, whether virtual or onsite.

Overnight counseling may be required for overnight camps and college groups.

Serve as the primary representative and host to visiting conference and retreat groups. This includes being on-call for overnight visitors.

Attend weekly staff meetings and regular training throughout the year

Provide basic husbandry for our animal ambassadors, including raptors, corvids, mammals, fish, invertebrates and herps. This includes meal preparation requiring the cutting up of frozen animals and the maintenance of a vermiculture bin and dermestid beetle colony.

Complete other self-directed projects, or projects/tasks as assigned
